**Part 3 ~ Make Jesus Known
Delivering the Good News**

Tom Burks

SMALL GROUP QUESTIONS

Thought Provoking:

Share the hardest conversation that you've ever had with another person. How did you feel before? How did you feel after? What made the conversation important?

What is your Good News story? Do you feel confident and comfortable sharing it, even with friends and family?

What are different ways that we can model delivering the Good News?

Digging Deeper:

1. What does Romans 1:16 tell us about sharing the gospel?
2. In Romans 10:14 - 15, what is the effect on people not hearing the gospel?
3. Read Isaiah 6:1-8 ~ Describe why this is Isaiah's Good News story. What ideas are included in it that are compelling?
4. How is Acts 3:1-11 a picture of going after the one that is lost?

Prayer:

Jesus, thank You for so many great stories that You shared with all of us. You made it simple enough that all we really have to do is re-tell them. Consider me a "Story Re-teller" for You.

Application:

What is one thing I can apply this week? Where is your audience to tell the Good News to (at home, school, work, community, world, etc.)?

Tell a story about Jesus, (you can adlib a little) in your own words to your spouse or friend. Don't think of it as something that needs to be closed with a salvation prayer. Just share a story about Jesus that you like.
